Griggs has an extensive adult criminal history that began at the age of 23 and includes carry concealed weapon in vehicle, burglary, false identification to peace officers, prison escape without force, possess control substance, and violation of parole. Griggs has served multiple state prison terms the longest a four (4) year term for burglary. Griggs was released from state prison to the supervision of the Los Angeles County Probation Department on July 27th, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2013 after Griggs absconded from post release community supervision (PRCS). Griggs qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for burglary is defined as non-serious and non-violent under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
